Dear Yarrow:

*= Oct 29*  
I have been in N. Y. since Wednesday morning kicking my heels over a miserable Railway case in which - much against my will - I got entangled. I am so sorry that I had not an opportunity to pay my 'last respect' to our poor friend Merrill. I will write to Mrs. Merrill at once. It is sad to think that so good a fellow and so valuable a man should have to go so prematurely.

Sincerely yours,

Wm. Osler.
