Dear Gwen.

I hope by this time you are better in your poor ankle. I had no idea it had been so serious. Thank Bea for her letter received this morning. It is lucky you were not smashed with the cart. When is Gwyns wedding? I hope you are having the dresses nicely made. What a bill at Murrays this month! 70 ~~cts~~: I was horrified.)

We are having a miserable time thank you. Poor Ike whoops about 24 times in the 24 hrs. Aunt Grace has been much better lately & is almost over the whoops. Revere keeps very jolly & jokey.

Is not Beas Birthday on the 13th? Get a nice Cake with candles &c at Webbs & order flowers at Dunlaps. Love to Mother & the boys & May

Yours

W.
