Dear Adami,

I am glad you have put the figure high \* (Re invitation to take Chair of Pathology at Pennsylv. Univ. J. G. A.) It will do good at the University of Pennsylvania. Harrison, as I mentioned to you, has I think, been following (a rather) narrow policy with reference to the salaries in the medical faculty. I doubt very much of course if they would place it at the figure you name, but it will do no harm. I had a very nice letter from Harrison yesterday. There is no question at all that they want you and will be only too delighted to have a man of your calibre.

Sincerely yours,  
WM OSLER.
