To Mr Jacobs for W.C.

Dear Jacobs,

Surely the dealers are children of Ananias & of the sons of Belial. Col. Bramston writes a very nice letter. He knows of no such picture ^{[of Harvey],} never had one & had he had one he never could have parted with a family relic of such value!

We are most comfortable here - the weather is superb & the bathing first class. The roads are excellent & we have already had several delightful five o'clock tea picnics in different parts. The sea & the rocks on the south shore, near us, are very fine & as in the Isle of Wight, chines run up from the Coast. Mrs. Osler has been much better. Yesterday she had a bad attack-again-it seems, as ^{Fowler} ~~Forbes~~ says, a genuine bronchial asthma following the whooping cough. Revere is so happy, - he has just had the delightful experience of sending his cricket ball through a window pane. I hope you will find weather like this at Trouville.

~~With love to Mrs. Jacobs,~~

~~Sincerely yours,~~

~~Wm. Osler.~~
