

(J.H. Medical School)

Baltimore, Md., Feb. 18th, 1905.

Dear Doctor:

We are only taking a few students in each department now. You would have to apply to the Registrar and find out, as I do not know how many he has made arrangements for during the next few months. Address Mr. Coy, Medical Department, Johns Hopkins University, Baltimore. With kind regards,

Sincerely yours,
W^m Osler
