

Dr. C. T. Howard

Baltimore,

CUS417/102.56  
May 8th, 1905.

Dear Campbell:

Would you pick me out, to look over, all the photographs dealing with abdominal tumors and abdominal distension, and would you remind me tomorrow morning to ask on the gynaecological and surgical sides with reference to certain pictures in that line,

Sincerely yours,

W. Osler.
