BEAUFORT CASTLE
BEAULY. N. B.

Dear Dr. Camac

We are leaving here this afternoon for Skye. Dr. Osler will write you from there. We have a most glorious week - only occasional showers. Revere has fished to his hearts content but with not much luck. Dr. Osler is looking so brown and robust - It has been a splendid outing for him - we had one day on the Mora on Loch Ness with most wonderful views - We have motored in all directions - There have only been a few guests in the house and we have had much independence which you know is consider real hospitality.

I hope you made use of the carriage or of 7 Norham Gardens in some way. It has been such a pleasure having you with us, and I hope it is one we may often look forward to - Our love to you.

Affec.

Grace R. Osler.
