Dear Gwen

Dear Abbott:

I am so glad to hear that you are so completely settled for the winter. The Housekeeping class will be most helpful. It is nice to hear that Bertram is getting on well. I could let you have \$300 a year. I wish it could be more but I have had my income cut of course by this transfer. I should think with \$1500 a year you should be able to manage a little flat - with judicious economy! We could all help in the furnishing. I shall be out at New Year & we can talk over the plans. I do not believe I sent your Oct. cheque. I will ask Miss Humpton to do it as I have drawn out all my cash in the Dominion Bank. We have not seen Charlie yet. We asked him here for last Saturday but he could not come. Revere is so happy at the school. He has grown into an independent laddie. He is no student & hates arithmetic. Bill is working away & will go to Germany after Xmas.

Love to Mother -

Yours

W. O.

Sincerely yours,

W. O. Osler.
