Dear Warfield:

So glad to hear from you! I am very glad, too, to see your work in the St. Louis Medical Review. Keep it up and go slowly. You have plenty of time, and do not forget how much room there is at the top.

Is the Miss Green I met at the Fischels still without cardiovascular attachments? If so, please tell her from me -- no, I had better not say, but you will understand the message I would like to send her.

Sincerely yours,

Love to the Fischels.

Wm Osler.
