

Fr. W.O. to J. George Adami, 1906.

(Typewritten).

7, Norham Gardens,  
Oxford.

March 24, 1906.

Dear Adami,

If you cannot come to the meeting at Munich, I think I will stop over a couple of days at Marburg. I am anxious to see those heart preparations. How does one best reach the place? My assistant, young Gibson, who is particularly interested in heart physiology, will accompany me.

Sincerely yours,  
WM OSLER.
