

Re: Introduction to Catalogue
and Collaborators.

April 13, 1906.

Let. 7 Newborn funds

(Maude)
3~~4~~ Dear Dr. Abbott:-

I enclose Hunter's letter which came to-day, and which explains the long delay. You see how much cheaper the printing is over here. I hope everything is going on smoothly with you. When do you suppose I should have the little introduction ready. I am going to Germany next week and shall see Dr. Adami.

(Signed) Wm. Osler.
