Dear Libman:-

Professor Aschoff of Marburg is sailing on the 28th of July for New York. I am very anxious to have somebody meet the steamer and take charge of him in New York. Could you do it, or if you are away will you ask Brill? I will send you a postal card again giving you the exact date, and I will also ask Aschoff to write direct to you. He is going to Toronto to open the discussion of Heart Block and will show the specimens.

Sincerely yours,
