(Dr. Thos McCrae, from Lady Osler)
Collonsay House, Island of Collonsay,
September 3, 1906.

"We are staying with the Howards. As you probably know, Lord Strathcoma owns the Island." There is some reference to Christmas time, after which she says: "When we will be in America or Canada; at any rate somewhere across the sea. I am going to Aberdeen with Dr. Osler on the 24th for the University *Qualificatory*.
We are to stay with the Finl^lys. "
