Dear Camac:-

I have sent your letter on to Lord Lister. I doubt very much if you will get any reply. I hear he is failing very much. I do not think it would be considered amiss if you went ahead without any actual consent. I am sure he would be very pleased.

We were very sorry that you did not come over. There are all sorts of things that would interest you deeply. I have just returned from Scotland, where we have spent a delightful fortnight.

I do hope Saunders will approve of the scheme. It would be well to have the title page of the De Motu Cordis reproduced. Of course it would not be expensive.

It was a great disappointment not to be at the Toronto meeting. I am so glad you saw my mother.

Sincerely yours,
WM. OSLER
