(Handwriting)

(To Prof. Nuttall, Cambridge, Eng.)

(On my election as Quick Professor of Biology, Tues. 15th Oct. 1906: G.F.H. Nuttall)

7 Norham Gardens, Oxford.
Wednesday 16 (Oct. 1906)

Dear Nuttall

Glancing at the Times after bkrfast I saw your appointment & telegraphed at once.. & now your letter has just come. How delighted all your friends will be & it is such a satisfaction to feel that you have earned the berth so richly. Welch will be enchanted.

With love to all at home

Ever yours

W^m Osler

W^m Osler has been doing hard work for him since 1874.
