Dr. C. P. Howard -

Dear Campbell:-

It is nice to hear that you have got comfortably settled in Berlin. I have written to John Garrett, but so far have not heard anything. He may not have returned. I am writing to Tower and to Mrs. Tower, also to Kraus. It would be very good if you managed to put in some Morbid Anatomy.

I am writing to the Ewalds to thank them for all their kindness. The Harveian Oration went off in very good form. I will send you a copy of the Lancet or British Medical Journal.

Love to Marjory.

Sincerely yours,

W. Osler.
