Pres. Tor. Univ

John Hordine Esq.

Dear Sir

I have thought over carefully the proposal made to me by the Government of the University and regret to say that I cannot see my way to accept the position. ^{While} I realize fully the extraordinary possibilities of the situation ~~and these as much as it to appeal to~~ I am confident that neither by training nor disposition I am one for which I am adapted.

I cannot ^{begin to} express ~~in words~~ my appreciation of the great compliment paid me by the board of Governors and it is a deep regret that I do not feel able to fall in with a wish so unanimously Yours very sincerely
J. H. Ord
