Dear Ned

Mother thanks you so much for your kind thought. She remembers you as one of my old friends. She keeps wonderfully well - & so bright mentally. I wish I could see you, but it is impossible to stop over in Belleville this time. We have to be in Boston for Xmas. I wish you could arrange some time to come over for a few weeks. You would enjoy Oxford so much. I am sending you my Harveian Cration. Did I send you Counsels & Ideals - which one of my students picked out from my writings! Send me a line to C/o Mrs. Revere, Canton Mass.

Love to all yours. . .

Sincerely yours

WM OSLER
