To: Dr. George Adami.

From: W. O.

13, Norham Gardens,
Oxford.

Feb. 1st. 1907.

(Typewritten)

Dear Adami:

I think I spoke with you about the possibility of getting Müller of Munich to give a lecture in Montreal.* He speaks English well, and I think it would be a good card. It would help the clinicians and help the school if he gave a talk on the organization of a medical clinic.

Love to the family,

Sincerely yours,

Wm. Osler.

* Muller came and gave an excellent address.
