

(Dr. J. A. Nixon, Bristol)

Sunday

(Post-card: Oxford, Mar. 4, 1907)

It would be most interesting if you looked over the existing MSS of Mesué in England. Probably there are not many. I will find out if there are any in the Bodleian. The B.M. has some, no doubt. Then the early edition would be of interest. We should be so glad to have a "talk" on him next October. Many thanks for the papers

Sincerely yours,

W<sup>m</sup> Osler.

(Note: Enquiries about edition of (the elder) 'Mesué' in the Bristol Central Reference Library).
