

From the Regius Professor of Medicine, Oxford.

April 6th, 1907.

Dear Pratt:-

I am so glad to hear of you and from you. Yes, Müller is a first class man in every way, and I am sure his visit will have done good. He is a very different stamp to some of the recent visitors. I sail April 20th, and hope to be in Boston on Monday the 29th. I shall have a very hurried visit, but I shall arrange to see you and any of the other fellows I possibly can.

Sincerely yours,

W. Osler.
