(Typewritten).

13, Norham Gardens,  
Oxford.

May 24th, 1907.

Dear Adami:

I have a very satisfactory letter this morning from Mr. Gates in which he says he has received your communication and will confer with Welch about it. This looks hopeful. Everybody here is deploring your loss.\* I do hope a good solid block may be forthcoming from Mr. Rockefeller.

Love to L.M.C.

Sincerely yours,

Wm. Osler.

\*This refers to the fire in April 1907 at the McGill Medical College in which I lost my library. Osler used his influence to obtain help from Mr. Rockefeller without success.
