

(Typewritten)

(To Dr. Hohn W. Churchman)

13, Norham Gardens, Oxford  
June 5th, 1907

Dear Churchman:

I have practically finished the section on visceral syphilis and will forward it to McCrae in a few days. Have you looked over Herxheimer's section on Syphilis in Lubarsch and Ostertag Ergebnisse Elfterjahrgen, Abt. I? You had better look it over with reference to the revision of your article.

Sincerely yours,

W<sup>m</sup> Osler  
(per N.S.)
