(To Leonard Mackall)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

June 20th, 1907.

Dear Mackall;

I am not certain. I think I got it from Lowe's life as a quotation from one of Kidd's books.\* I unfortunately have not the source in my note-book. Let me know if you find any good Lavater things or anything of Conrad Gessner, of whose works I have a fairly good collection.

Sincerely,

Wm Osler.
