Dear Camac

I have sent on the preface to Mr. Frowde without a word of correction. I have had a remarkable series of letters at intervals from young doctors about the book. The other day I went to Hull and was much interested in the young doctor & his wife. I sent them the book - a letter in reply said it had been their comfort for more than a year.

I am so glad to hear that you have a copy of the Rush book for me - many thanks I shall prize it very highly.

Let me know if I can be of any help about your book

With love to the family

We are just back from *Bordeaux*

Sincerely yours,

WM. OSLER.
