

1502 Walnut Street note-book.

Read Oct. - Dec. '07.

Georges, Mareschal, 1658-1736, Life.

Read in bed.

Surgeon\_barbers of Paris. To 1656 two sorts, les chirurgiens de robe longue (chirurgiens-barbiers) and the barber-surgeons, College de Sainte Cerne dates from middle of 13th century, after 1370 (?) they had Bachelor's licences and Doctor's, but a long fight of four centuries began with the Fac. of Med.

Livres petite galanterie - chap. La Grande Galanterie.

In 1726 of the 500 Surgeons in Paris 450 were barbers; of the other 50 not more than 25 operated and not more than 4 or 5 who did major operations.
