

CUS417/106.9

From the Regius Professor of Medicine, Oxford.

7

Wm. Pepper Esq.

Dear Will:-

Jan. 24th. 1908.

I am delighted to hear of your appointment. It is a very good thing for you and for the University. Many thanks for the chart, which I suppose will come before long. Please give your mother my kindest regards and the same to your wife.

Sincerely yours.

W. Osler
