Dear Pratt:-

I am delighted with your articles for the System. There is nothing in English like them at all, and I do not know of anything so good since Hoffman. I am glad you utilized all our material.

Send me word before long about your itinerary. Mrs. Osler, the boy, and I may go somewhere on the continent early in April, so that it might be more convenient if we met at Vienna and came back together.

Sincerely yours,

W^m Osler
