To
(Mr. Henry Phipps)

Dear Mr. Phipps:

I hope to hear from Kraepelin before you leave on Monday. I wish I could go with you, but I am afraid it would be quite impossible to get away next week. I have to get ready for the British Medical on the 27th., for which I have a paper that is not yet written. In any case, I will ask Professor Frederick Müller of Munich, to call at the hotel and introduce you personally to Professor Kraepelin. Professor Müller spent some time in America last year and he is very much interested in the Johns Hopkins. I know he would be only too delighted to act as your guide, philosopher and friend.

Sincerely yours,

Wm. Osler.
