To
(Mr. Henry Phipps)

Dear Mr. Phipps: -

I have a letter this morning from Professor Müller who says that Kraepelin will be in Munich until the 26th of this month. On the 27th he sails for America, so you will be in time to see him. He says that he will be very glad to do anything for you, and Professor Müller hopes that you will let him know when you arrive; his address is Bavaiaring 47. You will find him a charming man and he speaks English like a native.

Sincerely yours,

Wm. Osler.

P. S. I have written to Professor Kraepelin so that he will expect you.
