Dearest Gwen

How delighted you must be to get back to your man & bairn I suppose you will be taking to your house again - or rather flat. I enclose cheque for \$200 which will help & I will keep up the \$25 a month from October.

Bea is leaving in a few days We have enjoyed having her here and she has seen & done a great deal. She & Revere are such chums We have just returned from Scotland. R. tried to get some fishing but the streams were too low. I hope the Grandmother will let you bring the baby. I have no doubt she is quite jealous of you

Do send me a line saying how you are

Your affec.
