(handwriting)

Dear Knopf

You are well out of the business! The lawsuit would have been an additional worry - It is awfully good of you to hand over the money to the Association. I am sure the members will appreciate your kindness. I am having such a happy visit here and seeing a great deal of interest. Heavens! how full of Tuberculosis this world is! I shall be here until the 10th and then on to Italy.

Yours

WM. OSLER
