From the Regius Professor of Medicine, Oxford.

Dr. Willenliffe Jr.

1908

Sept. 30th.

Dear Will:-

Yes, I got the roll. I am much obliged to you for it. I thought I had acknowledged the receipt. By this time I daresay you will have had the copy of my collected essays, The Alabama Student, in which I have reproduced the article on your father. With kindest regards to your mother and the boys, your wife, and Dr. and Mrs. Stengel~~x~~ and their children.

Sincerely yours,

Wm Osler
