(Dr. H. V. Ogden) COS 417 / 108.4

Oxford Jan. 1st- 09. Calicutal

Happy New Year to you & yours. I have been in Paris since Oct. 1st. Now off to Italy via Lyons & Montpelier. Am having my Sabbatical year at last. I hope to be out in America in May. Poor Arthur Browne had a stroke two weeks ago - aphasia &c. He is too good a fellow to be stricken so early. I hope the baby thrives. Perhaps two babies. Oxford is our address.

Yours ever
Wm Osler
