 The Dr. of Helix - friend of Mrs. Edwards.
 Dr. Saunders at Cairnes, said he had a Cairnes thread, and he
 must take some Calamel - everyone coming to Cairnes has to begin
 in the way. He went on to say that justice in Cairnes divided itself
 into 2 parts - - justice for the American bodies and justice for the
 English bodies. Every American body had this justice of Medicine
 in her hand some had also regulations what they were told.
 What was prescribed to anybody everyone must begin at Cairnes with
 Calamel and be kept ~~some~~ a couple tables for W.C. In the am.
 he said - that on a Jacobian piece - it was found in the bed
 walling.
