

Post Card. *to Mrs Jacobs,*

Canne, Feb. 1, 1909.

So glad to see a Laennec programme again; excellent bill of fare.

We have been here two weeks - splendid weather. I have been struggling with a sore throat - coming and going, but it seems better now. The coast is marvellous. Monte Carlo is wonderful. We have been motoring all over the place - at the risk of our lives. We go to Rome next Sunday. I am afraid we shall just miss each other.

Love to Mrs. Jacobs,

Yours,

Wm. Osler.
