

CUS417/108.28

(postal - hand-written)

(Dr. W. S. Thayer)
Grand Hotel du Nord, Florence.
March 4th (1909)

I sail for Naples April 21st

Florence yesterday: Delightful month in Rome. Marchiafava, Celli & Bignami spoke of you. The Malaria problem is well in hand. This place looks hopeful. I go to ~~Govee's~~ ^{Grocco's} clinique tomorrow, & to Banti on Monday.
Love to Sister Susan
