Dear Jacobs:-

I am glad you have had the glorious weather for your trip - we had a wonderful week of uninterrupted sunshine and Easter Sunday was like June. Not much to me as I was & am in bed - only a heavy cold with fever for 4 days. I have postponed my sailing for a week, as it did not seem worth while to risk anything. The artist's name is Seymour Thomas, 11 Impasse Rousin. I hope you will like my portrait in the Salon. He took great pains with it. T. & Hugh Young were brought up together. I am glad to think there may be a chance to see you in July. I sail June 18th from Montreal. Mrs. Revere and Mrs. Chapin sail May 18th for a short visit. Did you meet Rist during the T.B. Congress? Charming man, you would be so pleased too with his wife, an Englishwoman. They were so kind to us.

Love to Mrs. Jacobs,

Sincerely yours,

Wm. Osler.
