

(Dr. D. Fraser Harris)
(typewriting)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

CUS 417 / 108.79

13 Norham Gardens
December 9th.

Dear Harris,

I am very pleased indeed to hear that you are comfortably settled in Halifax. I am sure you will like the place and the people. When you get leave from the Rector, I shall be only too happy to help in the matter of the tablet to Hales.

With kind regards to your wife,

Sincerely yours,

Wm Osler
