

(General Sternberg)

From the Regius Professor of Medicine, Oxford

(typewritten)

July 21st(1909)

Dear Sternberg:-

I was very glad to get a copy of the address<sup>(es)</sup> on the occasion of the complimentary banquet to you. I hope you are as well as you look in the excellent portrait. Life does not owe you very much. You have had a good innings and played a good game. You ought to be uncommonly well pleased with yourself.

Give my sincere regards to Mrs. Sternberg. Sincerely yours,

W<sup>m</sup> Osler
