

Abstract from the Minutes of the Meeting of School Council
held on Wednesday, October 27th, 1909:-

Re Dr. Osler as a Lecturer

A proposal was submitted by Dr. Hawkins that Dr. Osler should be appointed a special lecturer to give a limited number of special clinical lectures on Medicine at this Hospital during the year with the right to use cases in the wards under the care of any of the Physicians of the Hospital. It was agreed that an invitation should be sent by Dr. Sharkey to Dr. Osler at once inviting him to accept this position and in the event of Dr. Osler being willing to accept that the approval of the Governors and of the full Staff be sought.
