

(To W. K. Bixby, St. Louis)

(Copy)

13 Norham Gardens,

Oxford

November 9th, '09

Dear Mr. Bixby:-

It is so kind of you to send me the George Washington Inventory. What a remarkable story the MS. had! As a great-granddaughter of Paul Revere, Mrs. Osler is greatly interested in it.

I hope if you come to England you will give us the pleasure of a visit. There are many treasures in the Bodleian which you would like to see.

Sincerely yours,

(Signed) W. OSLER
