Dear Cushing -

I am sorry that I can find only one letter from Oster. The few that I received from him were very brief. The one that I kept is pasted in a book that he sent at Christmas Brown's *Religio Medici* - It goes as follows -

Dec. 13<sup>th</sup> 1899

Dear Howell -

I am sending you for Christmas a reprint of the authorized edition of the '*Religio*' which they have published at the Press. You will be interested also to know that it is printed with, perhaps, the oldest font of type in use in England,

That designed by Bishop Fell about  
1660.

Sincerely yours

H<sup>m</sup> Oler

If perchance you need the original  
I shall send it off and send  
it to you. For intimate letters  
I think that Harry Thomas and  
Halsted will be in a position  
to furnish them.

Ever sincerely yours

J. H. Howell
