

Oxford,

Jan. 4th, 1910.

Dear Jacobs;-

Thank you so much for the little light to lighten my darkness. I shall often find it useful. Tom is greatly pleased with his pán. He is very busy getting ready for Winchester, and is glad he is going into a very good house.

We have had a very strenuous New Year, seven in the house over Sunday, such a jolly party.

Give my love to Mrs. Jacobs and all old friends.

Sincerely yours,

Wm. Osler.
