13 Norham Gardens, Oxford.
4th Dec., 1912 (1910?)

Dear Nixon:

I am afraid I cannot go to Bristol on January 14th. I am going into seclusion for the first three months of the year, to write the lectures which I give in America in the spring. I am off to Manchester until tomorrow, and will send you the Fletcher memoranda then.

Sincerely yours,

W^m Osler.
