Dear Campbell:

So glad to get your nice long letter, and to hear that things were going smoothly. I did not send the abdominal tumour slides as I have

not had time to get them in order. The others, the more important, I hope you have got.

I have written to the Smithsonian agent about the set of the Revue de Medicin.

Sincerely yours,

Wm. Osler.

Let me hear of the date of Jim sailing. We might go to the *Congress Intern Med.* if you can get away on time.
