Dear Dr. Cowley,

Do you remember the two Arabic MSS I brought you last year, for which Prof. Osler was willing to go to £25? I have now communicated with the owner, who sadly accepts. Please let me know whether the offer holds good; if so, I will send the books. They can be paid for by cheque on the Imperial Bank of Persia. It would probably be simpler to make it out to me.

Yours sincerely,

J.H. BILL, I.C.S.

P.S. Please put via Bombay on your envelope, also a 2½d. stamp.
