Dear Jacobs:-

I was very sorry to hear of the death of Frank Frick - - ultimus Romanorum, among the old guard at Baltimore - a fine set of men, a better is not grown anywhere.

Is not it splendid to hear of the success of the Appeal? I feel rather mean not to have given anything, but to tell you the truth I got involved more deeply than I intended in the new building of the Royal Society of Medicine.

I am off to Egypt with my brother E.B. on the 5th of February. Mrs. Osler will not go as she does not like us both to be away from the boy.

We have had a very jolly Christmas, and are all well.

Love to Mrs. Jacobs.

Sincerely yours,

Wm. Osler.
