Dear Mac:

I am awfully sorry to hear that you have been in the hands of the Philistines, but it is reassuring to know that you have come through the operation all right, and that it is nothing more than ulcer. I dare say with a short-circuited bowel you will do better than you ever have done. Ask Mrs. McEachran to let me know how you get on.

With best wishes

Ever yours,

W^m OSLER.
