

CUS417/III.44

(Typewritten)

(To Dr. Duncan McEachran, Vet'y.)

13, Norham Gardens, Oxford.
April 5th, 1911.

Dear Mac:

So glad to hear that you are doing well. I had a note from Bell who said you were getting into first-rate condition. Do let me know when you are in London; I would like you both so much to come down and spend a week-end with us, just to see how we have stood the transplanting.

Give my love to Jean. Warm greetings to you both.

Ever yours,

Wm Osler.
